# VENUE

---

In 2021 Dunston Hall Estate was gracefully restored to create a beautiful, authentic space in which you can gather with the ones you cherish the most.

Although it no longer has permanent residents, the hall is your idyllic home away from home, and the estate is now an outstanding venue for weddings and events with its timelessly elegant setting.

Dunston Hall Estate oozes character and style and provides a hidden gem that's peacefully tucked away from the bustle of the neighbouring market town. Our team are on hand to bring to life your dream wedding day, and ensure that you leave us with memories that will last a lifetime.

# YOUR WEDDING YOUR WAY

---

Dunston Hall Estate is hired on an exclusive basis (from 12pm until 12pm the following day) meaning you get sole use of the hall and grounds for the duration of your stay with us, along with The Stables for your wedding reception.

We can accommodate indoor ceremonies in our dedicated ceremony space The Garden Room, or outdoors on the front lawn.

Whether you wish to have a midweek or a weekend gathering, we have a flexible approach to the flow of a day, meaning you can create an experience that is unique and personal to you.

Our in house chefs will cater for your arrival, wedding breakfast and reception requirements. We will cover all aspects of your catering and service needs. We will provide all of the drinks for your day, whether you choose to opt for a drinks package or let your guests order for themselves from our bar.

Our events team will be present throughout to coordinate the day, act as your master of ceremonies, serve the food and drink and ensure that everything runs perfectly.

Everything else is up to you, but please let us know if you would like us to point you in the direction of some very talented suppliers.
